Re: University of Central Florida
2005 Campus Master Plan Stadium Amendment
Orange County
DHR Project File No. 2005-7994

Dear Mr. Newman:

In accordance with this agency's responsibilities under Section 267.061, *Florida Statutes*, we reviewed the referenced project.

A review of the Florida Master Site File indicates that no significant archaeological or historical sites are recorded for or considered likely to be present within the project area. Furthermore, because of the project location and/or nature, it is considered unlikely that historic properties will be affected. Therefore, it is the opinion of this office that the proposed project will have no effect on historic properties listed, or eligible for listing in the *National Register of Historic Places*, or otherwise of historical or archaeological value.

If you have any questions concerning our comments, please do not hesitate to contact Susan Harp at (850) 245-6333. Thank you for your interest in protecting Florida's historic resources.

Sincerely,

for

Frederick Gaske, Director
